# EYE-NET

## Eye-Net™ View The Power of Road Safety Data

# We are EYE-NET

We're making it our mission to improve road safety for everyone through easy-to-use, globally accessible solutions

## Eye-Net View Advantages

**ACCESSIBILITY**  
Clear visualization of complex road data

**REVENUE VISIBILITY**  
Tracks and analyzes metrics and user engagement

**OPTIMIZATION**  
Boosts performance, tracks valuable KPIs

**ACTION**  
Insights for streamlined decision making

**CLEAR REPORT**  
Automated, detailed insights sharing

**GDPR COMPLIANT**  
Ensures data protection and privacy

## Strong, Differentiating Benefits

**DATA HUB**  
Centralizes traffic and road-safety data for easy access dashboard

**COMMUNITY COLLABORATION**  
Engages the community in improving road safety

**SOLUTION DRIVEN ANALYTICS**  
Easy-to-use comprehensive tool tackling key municipal and mobility issues

**VULNERABLE USERS**  
Safeguarding pedestrians and cyclists in accident-prone areas

**ADVANCED CYCLING SAFETY**  
Promotes safer bicycle and micromobility use through data insights

**SMART MOBILITY**  
Essential dashboard for smart mobility insights and innovation opportunities

**TREND ANALYSIS**  
Advanced forecasting for better road safety and proactive measures

**INTUITIVE VISUALIZATIONS**  
Simplifies traffic and road safety data for actionable insights

**EASY ASSIMILATION**  
An online dynamic dashboard, applicable from day one

## Target Markets

On top of Eye-Net's Automotive and 3rd party Apps clients, more partners can benefit from Eye-View data

**MUNICIPALITIES**  
Enhanced road safety, with a focus on urban planning and high-risk zones, for efficient decision-making

**EMERGENCY SERVICES**  
Advanced analytics and unique insights for comprehensive risk management and community connectivity

**SMART MOBILITY PROVIDERS**  
Improved awareness and planning with real-time data on threats and high-risk or preferred zones

**INSURANCE PROVIDERS**  
Strengthens risk mitigation with immediate, personalized insights for behavior-based solutions
